2372	22" Blade	Black	6	6.00

## ALLOY STEEL FLOOR CHISELS

## (Electricians or Tongue Chisels)

This tool is very thin and strong — it combines the thinness of a putty knife, toughness of a cold chisel and cutting qualities of a wood chisel. Used to cut beads in hardwood floors, for prying up stuck windows, cutting nails, etc.

NO.	SIZE	COLOR	BOX	LIST PRICE
2351	8½" x 3" Blade	Red	4	3.40
2352	12" x 3" Blade	L. Blue	4	4.20

Same tough tool as 2352, but due to manufacturing method can be offered at a much lower price.

2353	12" x 2½" Blade ⅝" Hex. Handle	D. Blue	4	3.00
